Global Connect Included Services

Call Forwarding
 Call Barring for outgoing or incoming calls
 Call detail record

- All pricing is subject to change.
- All services are billed in US dollars.
- All international customers subscribing to the Postpaid Global Connect services will be automatically billed to the credit card on file for all monthly service and airtime charges.
- All service plans will be billed any applicable taxes.
- Monthly service plan activations are subject to credit approval

*2-stage dialing allows the caller to dial a US-based access number, input the Iridium satellite phone they are trying to reach, and the call will be placed to the Iridium unit. The caller is billed for a long distance domestic call to Arizona. The charges to the Iridium subscriber for this type of incoming call are \$1.60/minute.
